

Notice of Funds Available and Application Workshops 2011-2012 Human Services General Funds & Community Development Block Grant (CDBG) Funds

The Cities of Auburn, Bellevue, Federal Way, Kent, Renton and Shoreline have CDBG public service funds available for 2011-2012. These funds will be allocated as part of the larger Human Services Funders Collaborative HSConnect process with 17 participating cities. A separate application is **not** required for CDBG public service funds. Staff from each city will decide which of the applications received through the Funders Collaborative process will receive CDBG funds. Agencies interested in CDBG capital funds from Federal Way and Shoreline should contact those cities directly.

Applications will be available March 22, 2010, on line at www.HSConnect.net and will be due April 29, 2010 at 4:30 p.m.

Agencies planning to apply for any human services funds should plan to attend one of the workshops covering general application processing, including an overview of the HSConnect.net website.
